## Description

### American Tug 485 w/ extended cockpit - LLC OWNED

#### Jammy Dodger was built for the founder and owner of American Tug

The pinnacle of the American Tug fleet, the AT 485 was designed for the yachtsperson looking to explore beyond the horizon but who refuses to leave the comforts of home behind. The seakeeping ability of its hard chine, full-length keel hull will keep you calm even in the roughest of conditions. With a range of 1500 nautical miles, the 485 is ready to take on your next adventure.

Jammy Dodger was constructed with an extended aft cockpit lengthening the boat to 52.5ft.
